To the Members of the Association of Secretaries General of Parliaments

Dear Members, dear colleagues,

Following my message of 14 June, I got several reactions from colleagues expressing concern about the personal situation of Doris Mwinga. I inform you that I finally succeeded in personally reaching Doris on the telephone. I am pleased to share with you that she is in very good health. "Could not be better", she literally said. She decided to go on retirement, which in her function is possible from the age of 60. By circumstances she had accelerated this decision. She told me that she felt very relieved.

Doris asked me to pass on her heartfelt greeting to all friends from ASGP. I told her that we will look back on her presidency at our St. Petersburg meeting. I am sure you all share my relief that Doris is doing fine.

With best regards,

Geert Jan Hamilton
