

**Physical adaptations made by
the Federation Council,
the Federal Assembly of the
Russian Federation**

Gennady Golov,
Secretary General of the Federation Council,
The Federal Assembly of the Russian Federation

Key steps taken by the Federation Council to improve safety from COVID-19 in parliament office buildings:

Equipment for the contactless temperature screening

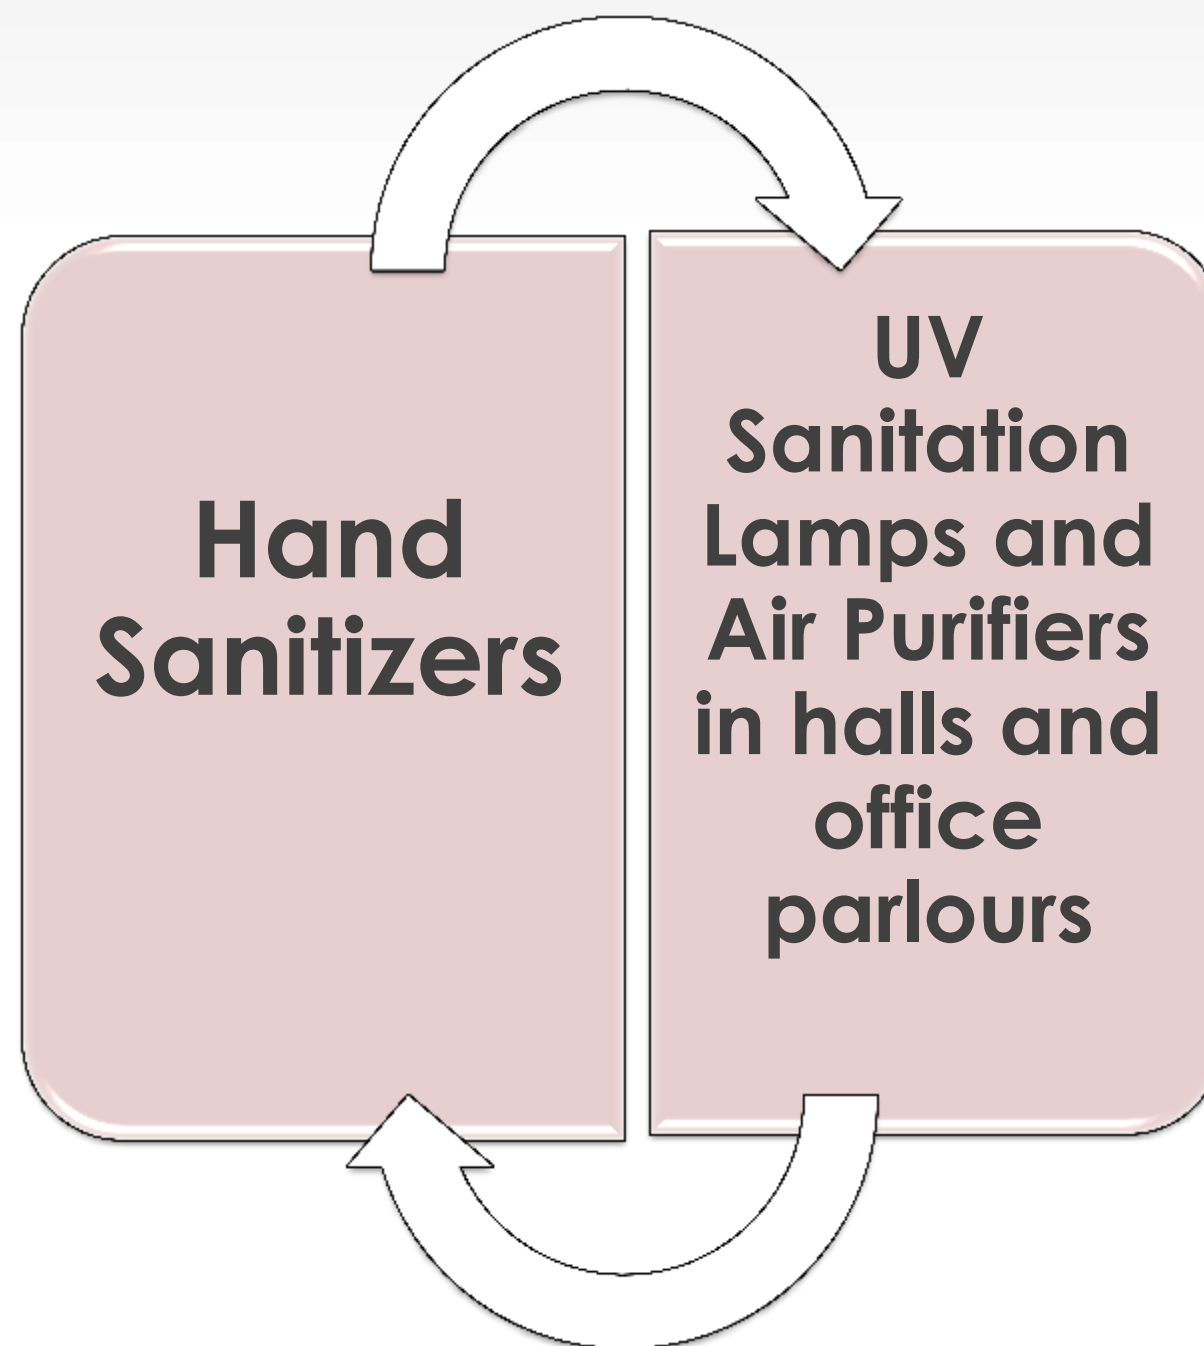

2/25/2021

Special order by Secretary General requires the obligatory wearing of face masks, respirators and protective gloves

Strict limits for visitors to parliament buildings. COVID negative test becomes a must

Special disinfection modules at the entrance to the Federation Council Assembly Hall

Screening for COVID-19 is introduced on regular basis

Overall **8 522** tests:
 Polymerase chain
 reaction (PCR) tests and
 about **1000** antibody
 tests
