An update for the ASGP

25 OCTOBER 2023

Parliaments for the Planet

Mobilizing parliaments to act on the climate emergency

Update on component 1: My parliament!

- Dissemination and promote uptake of *10 Actions for Greener Parliaments*
- Reports on the implementation of the 10 Actions within parliament (e.g. European Parliament)
- Translation into national languages (e.g. Japan)
- Convening parliaments in critic dialogues on sustainability and climate action

Collection of good practices on climate action

- 20 case studies of good parliamentary practices from IPU Members
- Video examples from over 50 parliamentarians – from sustainable parliament buildings to legislation for carbon neutrality
- IPU-ASGP webinar on *Greener Parliaments* provided a platform for shared learning on sustainable institutional practices for 60 participants on e.g.:
 - Green transport
 - Awareness-raising
 - Biodiversity protection
 - Inter-parliamentary collaboration to enhance sustainability
- Key actions highlighted include: Developing a comprehensive sustainability strategy; Establishing a dedicated sustainability commission; Engaging parliamentary leadership

Component 2: My planet!

Inter-Parliamentary Union
For democracy. For everyone.

- Officially launched at 147th Assembly in Luanda
- Overlapping with component one, this part looks at the bigger picture of how parliaments can implement the Paris Agreement and build more sustainable societies through their parliamentary functions of law-making, budgeting and overseeing the government

Some key actions in the lead-up to COP28 in Dubai:

- Organize parliamentary dialogues on COP28 negotiations
- Empower parliamentarians: Ensure they are aware of latest Nationally-Determined Contributions under the Paris Agreement
- Promote engagement with civil society and experts
- Encourage knowledge-sharing:
 - Participate in upcoming IPU virtual climate [events](#)
 - Continue sharing good practices with press@ipu.org
- Follow the new digital toolkit for the campaign:
